Honolulu, T. H., April 22nd, 1902.

Pacific Hardware Co., Ltd., Honolulu, T. H.

DEAR SIR:—The presence of the horn-fly pest in my herd of milch cows has been a cause of serious apprehension to me, both on account of the consequent deterioration in the condition of the cattle and the reduced production of milk. I am pleased to inform you that the application of the So-Bos-So Kilfly, which I purchased from you a few days since, has already resulted in a decided improvement in the condition of the cattle, as well as an increase of 20 per cent in the quantity of the milk produced, before the application of the Kilfly. Very truly yours,

PAUL R. ISENBERG.

So-Bos-So Kilfly Is a Liquid Mixture

designed to protect cows and horses from torture of flies. The preparation is positively harmless. It is used with splendid results as a disinfectant and germicide. The Electric Sprayer discharges the So-Bos-So (Kilfly) in a fine, broad spray. From 30 to 50 cows can be sprayed in a few moments. The Electric sprayer is detachable, and thus may be thoroughly cleaned. If your animals are troubled with lice, use So-Bos-So (Kilfly). It knocks them out. Spray your poultry house with So-Bos-So (Kilfly). It kills lice or any vermin that may infect the fowls. Sufferers from the Horn Fly should give Kilfly a trial. We are sole agents for the Territory of Hawaii.

PICNICS PROVIDE A GOOD TIME

(Continued from Page 1.)

vice" and "returns" showed a thorough knowledge of the game invested in the players. In a quiet, cozy spot, "far from the madding crowd," a game of baseball was going on, and the fair sex easily showed their superiority over the "stalwarts," though no score could be obtained.

Much credit is due the various committees for their untiring efforts, and it can truly be said that all present enjoyed the day to its utmost. In the absence of Supt. W. A. Mrowka, the Assistant Superintendent, Miss Florence R. Yarrow, was in charge, and special congratulations are to be offered to her for the success of the picnic. The harmonious working of those in charge of the many departments demonstrates that the grand aim in view was a worthy one.

At noon all were summoned to gather around the large refreshment tent, where they joined in singing "My Country, 'Tis of Thee," after which Rev. Mr. Kincaid asked the blessing upon the assemblage. The lunch served was excellent, consisting of cold meats of every description, salads, sandwiches, fruits, cakes and other delicacies. Special mention should be made of the coffee, which equalled, if not excelled, the coffee served in past years. Most liberal supplies of soda waters and lemonades were always at hand.

Those prominent in church work were noted administering to the wants of the little ones who relished the hour that calls us to "eat and make merry." The following are the committees: Reception—The Rev. Mr. Kincaid, Mr. and Mrs. J. B. Atherton, Miss Florence Yarrow.

Games—Mr. Frank Atherton, chairman; Mrs. McCully-Smith, girls; Miss Charlotte Hall, infants.

Meats, Mrs. C. H. Dickey; cakes, Mrs. J. J. Kennedy; breads, Miss Margaret Hopper; salads, Mrs. Grace Waterhouse; lemonades, R. S. Corson; transportation, Jonathan Shaw; tables and tents, William Paty; waitresses, Mrs. Joe Gilman, chairman; assisted by the young men and ladies of the Sunday school. Mr. Clifton Tracy, in charge of the Palama Chapel delegation, which filled to overflowing two large electric cars.

Among the visitors were noticed the Rev. J. A. Cruzan, formerly of this city, and now pastor of the Episcopal church at Hilo, who is a guest of the Rev. Mr. Kincaid; and Dr. and Mrs. Musgrove, from the U. S. A. T. Buford, now in port.

As the sun began to creep toward the west and shadows grew longer, and the fullness of a well spent day rested in the hearts of all, when little eyes began to smart and little feet grew tired, each sought the repose and quiet of home, and gradually the throng thinned until nothing was observed but the scene but a little boy going back for one of those "pretty glass bottles." Thus the day closed on the success of the Central Union Sunday School Picnic.

METHODISTS AT WAIKIKI.

The Sunday school of the Methodist Episcopal church, over which Rev. George L. Pearson officiates, sought the cool breezes of the sea at the John Cassidy residence in Old Waikiki. At 9 a. m. the specially chartered buses started with their loads of pleasure seekers from the church doors for the delightful excursion. The Cassidy residence affords peculiar advantages for a holiday of this sort, as it is surrounded by beautiful palms, is away from the noise of the streets, and enjoys the close contact of the sea. About two hundred visited the camp during the day, where they fully appreciated the reception prepared for them by the superintendent of the Sunday school, Mr. Richard H. Trent.

The forenoon was taken up with races, quoits, ball throwing and other amusements suited to the temperament of the crowd, but the crowning event of the day was the baseball game between Mrs. Clark's scholars and a carefully picked nine of men. It was a fast game from start to finish, and the boys won over their older and more experienced rivals by a score of 14 to 12. The excellence of the prizes was a feature. Among many may be mentioned potato mashers and rolling pins daintily decorated; silver stick pins of different designs; pretty shell napkin rings and spoons; and a beautifully ornamented knife box.

Refreshments were of a high order and soft drinks flowed freely. The great variety of meats, salads and fruits, and the thoughtful presence of the ladies of the church. Throughout the day bathing and boating furnished much enjoyment and at 4:30 the party broke up. There was but one committee, under Mr. Trent, which constituted a general committee, in charge, to wit: J. A. Lyle, chairman; O. H. Walker, J. I. Downing, L. M. Kerns, and M. G. Johnston.

PEARL CITY.

The members of the Christian Church had an enjoyable picnic at Pearl City. The party left the Honolulu depot at 9:15 in the morning for the site selected, and spent the day in merry making. Sports of many kinds held the attention of the children and when the time to return home came none were ready to go, so pleasant had been the day. The success of the occasion was due to the good management and thoughtfulness of the Rev. E. S. Muckley and his deputies.

UNION PICNIC IN MANOA.

The Salvation Army and Peniel Mission had a union picnic up Manoa valley. A. F. Cooke kindly placing his cottage and grounds at their disposal. The party was quite a goodly sized one, and they had a very enjoyable time. At night these earnest bands of workers were found at their usual corners exhorting sinners to repent with as much vim and earnestness as though they had not been hard at work all day enjoying a holiday.

The Salvation Army corps is arranging a special series of meetings in connection with the departure of Major and Mrs. Wood. On Friday night they meet the members of the officers' quarters for a private meeting. Saturday evening is to be a musical night, with all kinds of vocal and instrumental selections. Ice cream and cake are to be served. Sunday night will be the farewell service, and as the Major and his wife are very popular in Army circles, a large audience and most interesting meeting is expected.

Change of Water often brings on diarrhoea. For this reason many of the travelers carry a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with them to be used in case of an emergency. This preparation has no equal as a cure for bowel complaints. It cannot be obtained on board the cars or steamships, and that is where it is most likely to be needed. Buy a bottle before leaving home. Benson, Smith & Co., Sole Agents, Honolulu.
